

Method Man, Spazzola

(feat. Street Life, Raekwon, Masta Killa)

[Method Man:] Uh

[Masta Killa:] Deadly Melody part two

[Method Man]

Thats my word

It aint safe no more...no more bitch

[Masta Killa]

Yo yo

Brain is punctured and drained through the nasal

Hour of assassination be upon you

Moving with the tiger strike, bound, gagged and shot

? the head in, (not sure of this verse)

East remains hot with police

But I keep a lease for my, four-fifth automatic

Extended clip rewind, bust mine,

Anytime you reveal your snake is raising actions

Observe the magnetic attraction

[Method Man]

And its time for some grid...

[Street Life]

...iron rap, action-packed grudge match

Tough act to follow, hard copy novel throw you off the Farasauno

We swimmin with these sharks, yo I raked body guard

Stamp my initial in your birthmark, P.L.O

Plus like a calico, tally ho

Black expo, checks in afro, we back yo,

Stole-a-mite, crash your wind pipe, with the (right to right?)

Fatal strike, daily mic fights, shoot-out street lights

[Method Man]

Sight beyond sight, late night, city light

Tight like a virgin, merging with my aye-a-like

Splergin, dirty to the grain, no detergent

Filthy, innocent till I'm proven guilty

Submergin, deeper in the lecture I'm servin

Truth or consequences, life or death sentence

I'm hurtin, your person, I'm certain, its curtains

[Chorus:]

It aint nothing like hip-hop music

You like it cause you choose it

Most D.J.'s won't refuse it

Alot of sucka M.C.'s misuse it

Don't think that Wu can't lose it

Too much to gain you'll abuse it

The name of the game is rapture

This one is completely captured bass

[Inspektah Deck]

Yo

I bring chaos to blocks like the riots in Watts

Rapid fire shots ripple through Kevlov, 9 Glockes

Technique your rhyme part machine gun ammo

Sporadic flow buckle the foe, intro to outro

Galico, throw verse, we slide my dough first

I make thousands in the club with no shirts, go beserk

&From the Shao burrow, wylin out on the furlow

Commando, style thorough, solo inferno

It burns slow, thermal nuclear degrees

Heads of underseas down to the youngest seeds
Wannabes clone, they light like summer breeze
Hundred G's for the garden, the fierce stampede
>From the die cast, hit the mic like the iron-palm blast
Equipped to perform the task
S-I-N-Y, and what, had a gut
The head rush, will cause your cerebellum to bust

[Killa Sin]

We be the world's most fabulous, hazardous, to fuck with these ravenous
Killas get you stuck to the wall like wooden cabinets
Extravagent, ? drop a helicopter high
Up into the sky, lines philosiphie ??
Watch my pockets ride, to the bottom bus
Confide in God and Sin, I trust the villianous
Criminal minded killas rust
I intend to build a fortifying man,
Mastermind vying men, navigate the globe and retire quick

[Raekwon]

Aiyyo fluid rap bend, through a black Veluga black act
Tackle that, ghetto tabernackles throw it in your lap
Slang A-K, national, geographical, mathematical
Slide up in your worth casual
Night air dog, who wear it all, blouse down to bra
All a thousand with a bloody hair, flammable
Rap mayors, who clap Himalayas pinky fingers
Ever glacer, lacer, hand laser touches grail bomb blazers
Sly-workin, network beserk, mad hurting
Killing whales, fucking up sales, crash Bloomindales
??, John Lennon tenor break, mad descendo
Fuck yall niggas carve my ice through my beige window

[door creaking open]

[gunshots followed by a car alarm]

[Chorus]

[Method Man]

Spazz Spazzola Ola
S-I-N-Y 10304
Lock your door
Crack your jaws
Drop your draws
It's all day everyday with this rap souflee'
Muzak...
