

# Method Man, We Some Dogs

(feat. Redman, Snoop Dogg)

[Redman]

[Chorus repeats 2x]

If I'm a dog, then we some dogs  
We all gunna chase cats, tell them dog  
Girl don't waste that swallow it all  
We just some dogs, we just some dogs

[Method Man]

By any means necessary, it's on  
Bitch, your fucking with a dog, all I wanna do is bury some bones  
Take a piss on a tree and I'm gone, girlfriend don't get it wrong  
I hate to be the one to shit on your lawn, but I ain't got my dog license  
I ain't nothing nice, and I ain't never met a piece of pussy I ain't liking  
Sugar and spicing, kicked up with ice and, you can do anything with these hoes  
Except housewife them, like snoop said "it ain't nothing but a G thing"  
Got a bitch in my bed, in nothing but a g-string, so peep game  
Who the lucky female to taste these, snips and snails and puppy dog tails huh?  
You're messing with me, I'm messing with you, I'm a dog trick  
I chase cats like Peppy La Pu, dead on shit  
My life's like a Holiday Inn, if my girl act up  
I'm gunna fuck her friend, if I'm a what...

[Chorus 2x]

[Redman]

I'm a dog motherfucker, I walk on all fours  
Find where you live at, shit on your porch, Redman is hungry  
Don't leave the food out, I'm pumped like a Pamela Anderson boob job  
Straight up bulldog, mixed with a Shinshuu cause I bullshit, party a little bit  
Swim with the shark, you're bound to drown  
my weed is like green, and yours  
Brown, the doctor the dog, from Cali to Georgia  
when cats meow with noting on top they halter  
I don't have Yemen that laugh when I laugh  
we some dogs, we can kiss our own ass  
Like a golden retriever, retrieving the chronic  
the dose nose bitch, and no need to hide it  
Redman a flirt, always get my nuts stuck to the porch  
like the dog on Joe Dirt

[Chorus 2x]

[Snoop Dogg]

Fish don't fry in the kitchen, bitch don't climb, keep bitching  
Beans don't burn on the grill, 3, 4, 5  
with the pimping, hoes get your pimps permission  
Now pay attention, the big D-O double to the G-O  
to the liquor store to crack a hoe and get some VO (VO)  
And mix it with some pena colidino  
then slip it on the bitch then I dip with all her c-notes  
Scandalous, yep bitch cause we know  
every pretty hoe always down to pull a d-low  
On me? No, so there wont be no shaking me down  
breaking me down, here we go  
You know I'm just oh so slick  
the way you chew that bubble gum, the way you sucking a dick  
And I can tell, that you a freak  
I wanna stick some dick up in you can I skeet, skeet  
Don't you know why?

[Chorus]

[Repeating till fade]
