

Methods Of Mayhem, Get Naked

Tommy Lee:

Seventy-seven million dollars made from watchin' me cum
Under the sun on my vacation (after hours on Spectravision)
Shootin' my jizzy jizzum
The woody has rissy rizen
I ain't gettin' paid to entertain your bridal showers
Rockin' my porno tape for hours'n'hours
Clitoris's are fearin me it's bigger than Ron Jeremy

Fred Durst:

Cause it's them ass cheeks that make my ass weak
And I've been runnin' with the blueballs since last week
So if you ask me I'll be glad to speak after we get butt naked
And break it down with NASTY!

(Chorus):

Lil Kim & Tommy Lee:
