

# Metric, Blindness

Send us a blindfold, send us a blade  
Tell the survivors help is on the way  
I was a blindfold, never complained  
All the survivors singing in the rain  
I was the one with the world at my feet  
Got us a battle, leave it up to me  
Find us a trapdoor, find us a plane  
Tell the survivors help is on the way  
I was a blindfold, never complained  
All the survivors singing in the rain  
I was the one with the world at my feet  
Got us a battle, leave it up to me  
What it is and where it stops nobody knows  
You gave me a life I never chose  
I wanna leave but the world won't let me go  
Wanna leave but the world won't let me go  
What it is and where it stops nobody knows  
You gave me a life I never chose  
I wanna leave but the world won't let me go  
Wanna leave but the world won't let me go  
What it is and where it stops nobody knows  
You gave me a life I never chose  
I wanna leave but the world won't let me go  
Wanna leave but the world won't let me go  
What it is and where it stops nobody knows  
You gave me a life I never chose  
I was the one with the world at my feet  
Got us a battle, leave it up to me  
Leave it up to me, leave it up to me
