

# Metric, Collect Call

If the fire's out baby  
How you gonna keep me warm?  
Supposing you left me  
With the door wide open no one can leave  
I know it's a lie, I want it to be true  
The rest of the ride is riding on you  
Over goodbyes we'll buy some place for  
Wishing you could keep me closer, I'm a lazy dancer  
When you move I move with you  
Wishing you could keep me closer, I'm a lazy dancer  
When you move I move with you  
If somebody's got soul  
If somebody's got soul  
If somebody's got soul  
You gotta make the move, make the move  
I know it's a lie I want it to be true  
The rest of the ride is riding on you  
Over goodbyes we'll buy some place for  
Wishing you could keep me closer, I'm a lazy dancer  
When you move I move with you  
Wishing you could keep me closer, I'm a lazy dancer  
When you move I move with you  
Wishing you could keep me closer, I'm a lazy dancer  
When you move I move with you  
Wishing you could keep me closer, I'm a lazy dancer  
When you move I move with you
