

Metric, Twilight Galaxy

Did they tell you, you should grow up when you wanted to dream
Did they warn you, better shape up if you want to succeed
I don't know about you, who are they talking to?
They aren't talking to me
I'm higher than high, lower than deep
I'm doing it wrong, singing along
I'm higher than high, lower than deep
I'm doing it wrong, singing along
Did I ask you for attention when affection is what I need
Thinking sorrow is perfection I'd wallow till you told me
There's no glitter in the gutter
There's no twilight galaxy
Go higher than high, go lower than deep
Keep doing it wrong, keep singing along
Go higher than high, go lower than deep
Keep doing it wrong, keep singing along
I'm alright, c'mon baby I've seen all the demons that you've got
If you're not alright, now c'mon baby
I'll pick you up and take, take you where you want
Anywhere you want, anywhere you want
Anywhere you want, anything you want
I'm higher than high, lower than deep
I'm doing it wrong, singing along
Go higher than high, go lower than deep
Keep doing it wrong, keep singing along
Go higher than high, go lower than deep
Keep doing it wrong, keep singing along
I'm higher than high
