

Metro Boomin, 10 Freaky Girls (ft. 21 Savage)

in peace
in peace
may you rest
may you rest
never ever shoot below the neck
never ever shoot below the neck
you a rookie
you a rookie
I am a vet
I am a vet

that's why I got a glock
you got a tec
you got a tec
not checkers
not checkers
this chess
it is chess
I flooded out my Patek whit Baguettes
I curved Tiffany
For Jess
For who?
need to get myself together
I am a mess
straight up
