in peace  
in peace  
may you rest  
may you rest  
never ever shoot below the neck  
never ever shoot below the neck  
you a rookie  
you a rookie  
I am a vet  
I am a vet

that's why I got a glock  
you got a tec  
you got a tec  
not checkers  
not checkers  
this chess  
it is chess  
I flooded out my Patek whit Baguettes  
I curved Tiffany  
For Jess  
For who?  
need to get myself together  
I am a mess  
straight up
