

# Mew, Am I Wry? No

Farah now that we're here  
can you tell me exactly how I should have done?  
Farah drives with her eyes closed  
do you ever inflict unwanted memories?  
I know you and I know it won't take you long to make me smile  
Farah angelic girl  
I'll have you know it's you and me potentially  
Farah don't pull the carpet from under me  
indifference is killing me!  
Am I why?  
On my! Fallacy! Fallacy in my words!  
Am I why?  
I know you and I know you're not afraid to say the least  
Diamond ring
