All I wanna do is zoom zoom zoom zoom
in a boom boom boom

And I drop it like a mmm
Do you feel it all hot an I

Hipper than the average chica
Does it make that heart go quicker?
Hasta vista the gangster

Take a break like Chappelle on my sofa
Check your trailer, hella better than FEMA

Cop cars in the street for the people
At home we can play some scruples
But tonight I gon wait til the night fall
Like a ninja I glide up a waterfall
Get to you to give ya little rock n roll
