

# Mia Martini, This Masquerade

Are we really happy with this lonely game we play  
Looking for words to say  
Searching but not finding understanding anyway  
We're lost in this masquerade

Both afraid to say we're just too far away  
From being close together from the start  
We tried to talk it over but the words got in the way  
We're lost inside this lonely game we play

Thoughts of leaving disappear  
every time I see your eyes  
No matter how hard I try  
To understand the reason why  
we carry on this way  
We're lost in a masquerade

We could just start over  
but it's oh so hard to do  
When you're lost in a masquerade
