

Mia Rose, Hot Boy

Dark hair nice smile dark eyes drive me wild
Blonde hair light eyes always get me hypnotized
Black T blue jeans feel the tension in between
i know why you here tonight here tonight
from the way that you stare i'm losing control
and the way that you look at me i already know
from the moment we touched i was ready to go go go oh
you got me hot boy temperature is rising
don't you realize what you do to me
you got me hot boy i'm anticipating
please don't keep me waiting be good to me now
high ... high heels let me show you how i feel
pure attraction that was my reaction
good boy bad girl baby let me rock your world
cause you turn me on tonight on tonight
from the way that you stare i'm losing control
and the way that you look at me i already know
from the moment we touched i was ready to go go go oh
