

# Micah P. Hinson, For Your Eyes

For your eyes, holds the ocean tide  
Drifting me off to sleep  
Breathtaking, for as far as I can see  
And all the times that I tried  
Left me as lonely as I could be

For your eyes, shines the sunrise  
Drifting me outta sleep  
Breathtaking, for as far as I can see  
And all the times that I tried  
Left me as lonely as I could be
