## Mice Parade, Sneaky Red

so hush now in your head said sneaky red

can you justify breaking the silence that had both of us wrapped around warm and covered now

in so many ways we took the fun out of our whistling days soon everyone goes with a whistling far too deep mistakenly

girl, i miss you now much more than i ever did before here is to another year getting accustomed, dear with our watching you disappear

so trade the farewell for a second chance and a story to tell and i'll keep you

warm and covered now so warm and covered warm and covered warm and
