

# Michael Ball, Call On Me

When the rain keeps falling on you  
And you're drown in misery  
When the world don't care about you  
And your friends are enemies

When you're lost, I will direct you  
In your heart, that's where I'll be  
And if these words should ever reach you  
Call on me, baby, baby  
Call on me  
Call on me  
I'll be right here waiting for you

When the sky turns black with thunder  
And you're adrift out on the sea  
When the sun stops shining on you  
And the night's eternity  
When you're lost, I will direct you

In your heart, that's where I'll be  
And if these words should ever reach you  
Call on me, baby, baby  
I'll be right here  
Call on me, darling, darling  
I'll be right here waiting for you

Don't be afraid if you're nowhere to run  
I'll be your hero; I'll get there in time  
Baby, drop me a line  
And I'll be right here, darling, darling  
Call on me  
And I'll be right here waiting for you  
Call on me  
Whenever you need me  
Call me, call me  
Call on me  
Yes, I'll be right here waiting for you
