

# Michael Ball, Secret Of Love

(Ian Allen, Dave Keates)

I know  
That when she said that  
We could be friends  
That my heart turned to stone  
Broken Again  
How come  
That I'm feelin' that the way I do  
'Cos the hurting is gone  
And it's true - 'Cos of you  
Chorus:  
I found that secret of love again  
Oh and every time I turn around  
There you are  
(There you are)  
Crying is done  
Cos I found the secret of love...  
Ooh yeah  
I've shown  
I'm not immune to the power of love  
I was chilled to the bone  
I've had enough  
But it's all gone  
An empty space  
Where my heart used to be  
But since you came along  
Can't you see  
Rescue me  
Chorus  
We'll call it divine intervention  
A bolt from the blue  
It was never my intention  
Ooh what can I do  
Chorus
