

Michael Ball, Take My Breath Away

(Claire Hamill)

Sometimes it amazes me
How strong the power of love can be
Sometimes you just take my breath away
You watch my love grow like a child
Sometimes gentle and sometimes wild
Sometimes you just take my breath away
It's too good to slip by
It's too good to lose
It's too good to be there
Just to use
I'm gonna stand on a mountain top
And tell the news
That you take my breath away
Your beauty is there in all I see
And when I feel your eyes on me
Don't you know you just take my breath away
Say my life is yours, my heart will be
Singing for you eternally
Don't you know you just take my breath away
Don't you know you just
Don't you know you just
Don't you know you just
Take my breath away
Sometimes it amazes me
How strong the power of love can be
Sometimes you just take my breath away
