

# Michael Ball, With One Look

With one look  
I can break your heart  
With one look  
I can play every part  
I can make your sad heart sing  
With one look  
You'll know what you need to know

With one smile  
I'm the guy next door  
All the love you've hungered for  
When I speak is with my soul  
I can play any role  
No words can tell  
The stories my eyes tell  
Watch me when I frown  
You can't write that down  
You know I'm right  
It's there in black and white  
When I look your way  
You'll hear what I say  
Yes,  
With one look  
I put words to shame

Just one look I set the screen on flame  
Silent music starts to play  
One tear in my eye  
Makes the whole world cry  
With one look  
They'll forgive the past  
They'll rejoice I return at last  
To my people in the dark  
Still out there in the dark

Silent music starts to play  
With one look  
You'll know all you need to know  
With one look  
I'll ignite the blaze  
I'll return to my glory days  
They'll say, "look, who's back at last!"  
This time  
I'm staying  
Staying for good  
I'll be back  
Where I was born to be  
With one look  
I'll be me
