## Michael Ball, With One?ook (Sunset Boulevard)

(Andrew Lloyd Webber/Don Black/Christopher Hampton) from the musical, Sunset Boulevard

With one look I can break your heart With one look I can play every part I can make your sad heart sing With one look You'll know what you need to know

With one smile I'm the guy next door All the love you've hungered for When I speak is with my soul I can play any role No words can tell The stories my eyes tell Watch me when I frown You can't write that down You know I'm right It's there in black and white When I look your way You'll hear what I say Yes, With one look I put words to shame Just one look I set the screen on flame Silent music starts to play One tear in my eye makes the whole world cry With one look They'll forgive the past They'll rejoice I return at last To my people in the dark Still out there in the dark

Silent music starts to play With one look You'll know all you need to know With one look I'll ignite the blaze I'll return to my glory days They'll say, "Look, who's back at last!" This time I'm staying Staying for good I'll be back where I was born to be With one look I'll be me
