

Michael Ball, You'll Never Know

(H. Warren/M. Gordon)/ Warner Chappell Music Ltd.

You'll never know just how much I miss you
You'll never know just how much I care
And if I tried, I still couldn't hide my love for you
You ought to know, for haven't I told you so
A million or more times?
You went away and my heart went with you
I speak your name in my ev'ry prayer
If there is some other way to prove that I love you
I swear I don't know how
You'll never know if you don't know now
You said good-bye,
The stars in the sky refuse to shine
Take it from me
It's no fun to be alone
With moonlight and memories
You went away and my heart went with you
I speak your name in my ev'ry prayer
If there is some other way to prove that I love you
I swear I don't know how
You'll never know if you don't know now
