

# Michael Bolton, A Heart Can Only Be Strong

A hundred times I have walked out the door  
Just to walk back a hundred times more  
A thousand nights I have sworn not to stay, ooh oh  
I remained tangled in the chains of desire, ooh  
I know that it's no good  
I shouldn't be here  
I know I should leave you

Chorus  
Shouldn't let you close to me  
Shouldn't have this hold on me  
No I shouldn't be so weak  
But a heart can only be so strong  
Every time I try to go  
Just one look in your eyes I know  
That a heart can only be so strong  
A heart can only be so strong

A hundred ways you have captured my soul  
I can't hold on but I can't let go  
Your spell on me is a spell I can't break, ooh oh  
All my strength burning in the flames of desire, ooh  
I don't wanna stay here  
I don't wanna leave you  
Don't know how to leave you

Chorus  
Wo, so strong, oh  
I can't let go oh no  
Wo, so strong, wo, so strong  
'cause you're a part of my soul  
And i, can't escape you  
No matter how hard I try  
I can never be free  
Of your hold on me  
I can't let go

A hundred times I have walked out the door  
Just to walk back a hundred times more

Chorus  
Shouldn't let you close to me  
Shouldn't have this hold on me  
But a heart can only be so strong  
Every time I try to go  
Just one look in your eyes I know  
That a heart can only be so strong  
A heart can only be so strong  
A heart can only be so strong
