

Michael Bolton, I'm Aware Of Your Love

I was alone
My love was an endless night
You came to me
Lover you made it right
I understand sometimes
It may not show
So I'm taking the time
To let you know

CHORUS:
I'm aware of your love
(repeat 7 times)

A heavy load
Upon me every day
But with your smile
You've taken it all away
I've never been a man
Of many words
But can't you see now
I'm trying to say

CHORUS:
You are the inspiration
Of every word I say
I swear sometimes I know
You try to give me death to pay
The way you hold me in the night
You make me feel all right
This is the only way
To tell you I'm trying
Baby I'm trying, I'm trying
I'm trying, I'm trying
(repeat 2 times)
