

Michael Bolton, It's Just A Feeling

It's not the tape this song is recorded on
It's not the way it ought to be done
It's not the words that the singer is singin'
It's not the way the music is played
I know it's nothin' new
'cause it's all been done before

It's just a feelin' baby
A feelin', oh yeah, a feelin' baby
It's just a feelin'
That's all it's been
That's all it's ever been

It's not the things you say to me
When we're alone and the lights are low
It's not the smile on your face in the morning

Baby, that keeps me comin' home to you at night
Don't understand what it does
But your love comes shinin' through

It's just a feelin', baby
It's a feelin', oh
Oh, a feelin' baby
It's a feelin' that keeps me coming back
I want to tell you right now

Nothing is going to change, baby
When your love, your love comes through
It's just a feelin', baby
A feelin', oh, feelin' baby
Just a feelin' baby, ooh
It's just a feelin', it's just a feelin' baby
