

# Michael Bolton, It's Just A Feeling

It's not the tape this song is recorded on  
It's not the way it ought to be done  
It's not the words that the singer is singin'  
It's not the way the music is played  
I know it's nothin' new  
'cause it's all been done before

It's just a feelin' baby  
A feelin', oh yeah, a feelin' baby  
It's just a feelin'  
That's all it's been  
That's all it's ever been

It's not the things you say to me  
When we're alone and the lights are low  
It's not the smile on your face in the morning

Baby, that keeps me comin' home to you at night  
Don't understand what it does  
But your love comes shinin' through

It's just a feelin', baby  
It's a feelin', oh  
Oh, a feelin' baby  
It's a feelin' that keeps me coming back  
I want to tell you right now

Nothing is going to change, baby  
When your love, your love comes through  
It's just a feelin', baby  
A feelin', oh, feelin' baby  
Just a feelin' baby, ooh  
It's just a feelin', it's just a feelin' baby
