Michael Bolton, Missing You Now

I talk to you but its not the same as touchin' you And every time you whisper my name, I wanna run to you We'll be together, it won't be long, it won't be long But it feels like forever, and its hard to be strong

CHORUS

Baby 'cause I'm missing you now And its drivin' me crazy How I'm needin' you baby I'm missing you now Can't wait till I'm alone with you To show you how I'm missing you now

Wishin' you were here by my side is all that I can do Got my arms around my pillow at night, they should be holdin' you
Thought I was stronger, how could I know, how could I know
I can't take this much longer, its so hard on my soul

CHORUS

Baby I just can't wait, till I see your face Chase away this loneliness inside When you're close to my heart, right here in my arms Then and only then, will I be satisfied I'm missing you now We'll be together, it won't be long, it won't be long But it feels like forever, and its hard to be strong
