

# Michael Bolton, Tell Me How You Feel

If there's anything on your mind, I'm open  
If there's anything in your heart, honey, I'm open  
But how can I ever be a man  
If you won't open up and let me understand  
Oh oh oh oh yeah

## CHORUS

Come on and tell me how you feel  
I really wanna know  
If this love is gonna be real  
You gotta let your feeling show

If your backs against the wall, I'm open  
If you're climbing high and you fall, I'm open  
Now if you need me to understand  
You know I can't unless you let me in  
Oh oh oh oh yeah

## CHORUS

'Cause I've been honest with you  
There's nothing more I wanna do  
I just wanna give you my love  
I only wanna give you my love  
Yeah, take it baby, oh oh

Tell me how you feel  
I really wanna know  
Tell me how you feel, baby  
I really gotta know  
Tell me how you feel, baby  
Tell me how you feel  
I really wanna know  
I really wanna know
