

Michael Bolton, You Don't Know Me

You give your hand to me
And then you say hello
I can hardly speak
My heart is beating so
And anyone can tell
You think you know me well
But you don't know me

No you don't know the one
Who thinks of you at night
And longs to kiss your lips
Longs to hold you tight
Oh I am just a friend
That's all I've ever been
Cause you don't know me

Well I never knew the art of making love
No my heart aches with love for you
Afraid and shy I let my chance go by
The chance that you might love me too

You give your hand to me
And then you say goodbye
I watch you walk away beside the lucky guy
Oh you will never know
The one who loves you so
Cause you don't know me

Afraid and shy I let my chance go by
The chance that you might love me too

You give your hand to me
And then you say goodbye
I watch you walk away beside the lucky guy
Oh you will never know
The one who loves you so
Cause you don't know me
No, you don't know me
