Michael Buble & Holly Palmer, Down with love

Down with love

The flowers and rice and shoe

Down with love

The root of all midnight blues

Down with things that give you that well known pain

Take that moon, wrap it in cellophane

Down with love

Let's liquidate all its friends

The moon, the June, the roses and rainbow's ends

Down with songs that moan about night and day

Down with love

Yes, take it away, away

Take it away

Take it away

Give it back to the birds and the bees and the Viennese

Down with eyes, romantic and stupid

Down with sighs and down with Cupid

Brother let's stuff that dove

Down with love

Ah, let's go!

Down with things that give you that well known pain

Take that moon and wrap it in cellophane

Down with songs that moan about night and day

Down with love

Take it away, away

Take it away

Take it away

Give it back to the birds and the bees and the Viennese

Down with eyes, romantic and stupid

Down with sighs and down with Cupid

Brother let's stuff that dove

Brother let's stuff that dove

Brother let's stuff that dove

Down with love

Down with love

Down with love

Down with love
