## Michael Bublé (Michael Buble), I've Got A Crush

I've got a crush on you, my sweetie pie All the day and night-time hear me sigh I never had the least notion that I could fall with so much emotion

Could you coo, could you care For a cunning cottage that we could share The world will pardon my mush 'cause I have got a crush, my baby, on you

Ohh, Could you coo, baby, could you care
For a cunning cottage
we could share
now the world will pardon my mush
'cause I have got a crush, ohh, you know I've got it bad for you
