

# Michael Bublé (Michael Buble), I've Got You Under

I've got you under my skin  
I've got you deep in the heart of me  
So deep in my heart, that you're really a part of me  
I've got you under my skin

I've tried so not to give in  
I've said to myself this affair never gonna swing so well  
So why should I try to resist, when baby will I know damn well  
That I've got you under my skin

I'd sacrifice anything come what might  
For the sake of having you near  
In spite of a warning voice that comes in the night  
And repeats, repeats in my ear

Don't you know little fool, you'll never win  
Why not use your mentality, come on step up to reality  
But each time I do, just the thought of you  
Makes me stop before I begin  
'Cause I've got you under my skin
