

# Michael Bublé (Michael Buble), You'll Never Find

You'll never find, as long as you live  
Someone who loves you tender like I do  
You'll never find, no matter where you search  
Someone who cares about you the way I do

Whoa, I'm not braggin' on myself, baby  
But I'm the one who loves you  
And there's no one else! No one else!

You'll never find, it'll take the end of all time  
Someone to understand you like I do  
You'll never find the rhythm, the rhyme  
All the magic we shared, just us two

Whoa, I'm not tryin' to make you stay, baby  
But I know some how, some day, some way  
You are (you're gonna miss my lovin')  
You're gonna miss my lovin' (you're gonna miss my lovin')  
You're gonna miss my lovin' (you're gonna miss my lovin')  
You're gonna miss, you're gonna miss my lo-o-ove

Late in the midnight hour, baby (you're gonna miss my lovin')  
When it's cold outside (you're gonna miss my lovin')  
You're gonna miss, you're gonna miss my lo-o-ove

You'll never find another love like mine  
Someone who needs you like I do  
You'll never see what you've found in me  
You'll keep searching and searching your whole life through

Whoa, I don't wish you no bad luck, baby  
But there's no ifs and buts or maybes

(You're gonna) You're gonna miss (miss my lovin')  
You're gonna miss my lovin' (you're gonna miss my lovin')  
I know you're gonna miss my lovin' (you're gonna miss my lovin')  
You're gonna miss, you're gonna miss my lo-o-ove

Whoa, oh, oh, oh, oh (you're gonna miss my lovin')  
Late in the midnight hour, baby (you're gonna miss my lovin')  
When it gets real cold outside (you're gonna miss my lovin')  
I know, I know that you are gonna miss my lo-o-ove

Let me tell you that you're gonna miss my lovin'  
Yes you will, baby (you're gonna miss my lovin')  
When I'm long gone

I know, I know, I know that you are gonna miss
