

Michael Crawford & Band Aid II, Love Changes E

From Aspects of Love

""Michael Crawford:""

Love, love changes everything, hands and faces, earth and sky
Love, love changes everything,
How you live and how you die
Love, can make the summer fly,
Or a night seem like a lifetime
Yes love, love changes everything,
Now I tremble at your name
Nothing in the world will ever be the same

Love, love changes everything

""Band Aid II:""

Days are longer, words mean more

""Michael Crawford:""

Love, love changes everything

""Band Aid II:""

Pain is deeper, than before

""Michael Crawford:""

Love, will turn your world around

""Band Aid II:""

And that world will last forever

""Michael Crawford:""

Yes, love, love changes everything

""Band Aid II:""

Brings you glory, brings you shame

""All:""

Nothing in the world will ever be the same

Off into the world we go,
Planning futures, shaping years
Love bursts in and suddenly,
All our wisdom disappears
Love, makes fools of everyone,
All the rules we make are broken
Yes, love, love changes everything, live or perish, in its flame
Love will never ever let you be the same

""Michael Crawford:""

Love will never ever let you be the same

""Band Aid II:""

Love changes everything of the places of thy song!
