how many people does a smart bomb kill  
how many of em do you think we got  
the general says we never miss a shot  
and we never ever ever keep a body count  
we killin so efficiently we cant keep count  
in the afghan hills the rebels still fightin  
opium fields keep providin

the best heroine that money can buy and  
nobody knows where osama bin hidin  
the press confrences keep on lyin

some say engine engine number nine  
machine guns on a newyork transit line  
the war for oil is a war for the beast  
the war on terror is a war on peace  
tellin you they're gonna protect you and  
tellin you that they support the troops

and dont let them fool you with their milk and honey  
no they only want your money

one step forward and two steps back  
one step forward and two steps back  
why do veterans get no respect

PTSD and a broken back

take a look at where your moneys gone seen  
take a look at what they spend it on  
no excuses no illusions  
light up ya lighter bring it home

so we keep it on til ya comin home  
higher and higher  
fire fire fire light up ya lighter fire fire fire
