Michael Franti, Dream Team

Red Black Green, Red Gold Green Dat's how we know we a fe we dream team (repeat)

The other day
A friend gave me a call
He said that the dream team was playin basketball
Was so excited / That I hadda get a Witness
The first time the NBA was in the 'lympics
players from the east/ players from the west
And you can bet that they took the very best
("Except they left Tim Hardaway at home"
"Yeah that was hella fucked up!")
But Anyway
I tuned in because I was hella psyched
To see Magic Johnson on the same team as Mike

Gettin crazy / Havin lots of fun makin sure that they got the job done Fans were wavin the red white end blue It seemed strange to me / was it strange to you? Brotha's on the street / And everyone is scared a ya So how could ten Africans represent America? Bullshit / It didn't mean a thing 'Cause in the same year / we saw Rodney King So I thought / That I would put a team together A team that I have been waitin for forever Some a you / May know what I mean But if you don't then / Lemme introduce you to... MY DREAM TEAM! "SPEARHEAD IN THE AREA!"

(chorus)
