

Michael Fredo, This Time Around

This time around, no more tears
This time around I swear
That together we'll be better than before

This time around

So many times I've let you down
When you needed me, I was not around
You've forgiven me time and time again
You believed that you could change me

Although I've been around the best
Darling, I must confess, oh
No one compares to you, oh

CHORUS:

This time around, no more tears
This time around I swear
That together we'll be better than before
This time around, no more tears
This time around I will
Make it clear, I swear
I'll love you more and more

You gave me all a girl could give
You saved me of this inpositive
It took a little while, 'till I could see
There could be no one else for me

Although all over the world I've been
Of all the girls I've seen
No one compares to you, baby

CHORUS

You always believed I'd be the man of all your dreams
This time around, girl you can count on me

CHORUS x2
