

Michael George, Amazing

I was mixed up when you came to me
Too broke to fix said 'daddy what you gone, I'm missing my baby'
Still missing my baby

I was stitched up by the hands of fate
Said how you gonna make it on your own if luck is a lady?
Maybe luck is a lady

I was going down for the third time
My heart was broken, I was not open to your suggestions
I had so many questions
That you just kissed away

Tell me, I guess that cupid was in disguise
The day you walked in and changed my life
I think it's amazing
The way that love can you set you free

So now I walk in the midday sun
I never thought that my saviour would come
I think it's amazing
I think it's amazing

I think you're amazing

You tried to save me from myself
Said 'darling, kiss as many as you want!
My love's still available
And I now you're insatiable'

We're like victims of the same disease
Look at your big bad daddy and your mom
And your mom... was always acting crazy

I was going down for the third time
My heart was broken, I thought that loving you was out of the

Question
Then I say my reflection
Saying please don't let this go

Tell me, I guess that cupid was in disguise
The day you walked in and changed my life
I think it's amazing
The way that love can you set you free

So now I walk in the midday sun
I never thought that my saviour would come
I think it's amazing
I think you're amazing

Celebrate the love of the one you're with

Celebrate, this life with you baby
I think you should celebrate yeah
Don't put your love in chains baby
No no, walk in the midday sun
I thought I was dreaming
I think it's amazing
I think you're amazing

I said celebrate the love of the one you're with

As this life gets colder

And the devil inside
Tells you to give up
