

# Michael George, As

George Michael

(tuh-ru-tuh..)

As around the sun the Earth knows she's revolving

And the rosebuds know to bloom in early May

Just as hate knows love's the cure

You can rest your mind assure

That I'll be loving you always

As them can't reveal the mystery of tomorrow

But in passing will grow older every day

Just as all is born is new

you know what I say is true

That I'll be loving you always(extended)

chorus

Until the rainbow burns the stars out of the sky (allways)

Until the ocean covers every mountain high (hmmm uh, this is gonna be allways)

Until the day that eight times eight times eight is four (you know it's gonaa be allways)

Until the day that is the day that I'm no more(extended)

mary J. Blige

Did you know that true love asks for nothing

Her acceptance is the way we pay

Did you know that life has given love a guarantee

To last through forever and another day

George Michael:

As today I know I'm living but tomorrow(yeahhhhh)

Could make me the past

But that I must'n fear

mary J.

Now I know deep in my mind

The love of me I've left behind

george/ mary j.

And I'll be loving you allways

background chorus

Until the rainbow burns the stars out of the sky (loving you)

Until the ocean covers every mountain high (been loving you)

Until the dolphins fly and parrots live at sea (loving you)

Until we dream of live and live becomes a dream(now ain't that loving you?)

Until the day is night and night becomes the day (alllllllways)

Until the trees and seas just up and fly away (i'll be loving you forever)
