

# Michael George, I Want Your Sex (Part 2)

Oh so much love  
That you've never seen  
Let's make love  
Put your trust in me

Don't you listen to what they told you  
Because I love you  
Let me hold you  
Oh

I'm not your brother  
I'm not your father  
Oh will you ever change your mind  
I'm a gentle lover with a heart of gold  
But baby you've been so unkind...oh

Come on  
I want your sex  
Come on, I want your sex  
That's right, all night  
Oh, I want your sex  
I want your...sex

Sexy baby's  
(Sexy baby's)  
Sexy body  
(Sexy body)  
Keeps me guessing  
With a promise  
I know we can come together  
But the question is  
Will we ever?

Together - you and me
