## Michael George, Kissing A Fool

You are far, when I could have been your star You listened to people Who scared you to death, and from my heart Strange that you were strong enough To even make a start But you'll never find peace of mind Till you listen to your heart

People, you can never change the way they feel Better let them do just what they will For they will, If you let them Steal your heart from you People, Will always make a lover feel a fool But you knew I loved you We could have shown them all We should have seen love through

Fooled me with the tears in your eyes Covered me with kisses and lies So good-bye, but please don't take my heart

You are far, I'm never gonna be your star I'll pick up the pieces and mend my heart Maybe I'll be strong enough, I don't know where to start But I'll never find peace of mind, while I listen to my heart People, you can never change the way they feel Better let them do just what they will For they will, If you let them, steal your heart

And people, will always make a lover feel a fool But you knew I loved you, We could have shown them all We should have seen love through

But remember this, every other kiss, That you ever give, long as we both live When you need the hand of another man One you really can surrender with I will wait for you, like I always do There's something there, that can't compare With any other

You are far
When I could have been your star
You listened to people
Who scared you to death, and from my heart
Strange that I was wrong enough
To think you'd love me too.
I guess you were kissing a fool

You must have been kissing a fool
