

# Michael George, Star People ('97 Single Remix)

(keep dreaming)

star people  
counting your money until you soul turns green  
star people  
counting the cost of you desire to be seen

I do not count myself among you  
I may have been living in a dream  
it's just that there seem so many of you  
can't help but hope there's a difference between

and if I love to be a hundred and one  
I will never understand what you are. honey?

I'm looking for sympathy  
just get me on NBC  
and where the hell's my dumb ass PR?

yeah-a-yeah  
I said maybe your mama gave you up boy  
(it's the same old, same old)  
I said maybe your daddy didn't love you enough girl  
(how much is enough)

star people  
never forget your secret's safe with me  
just look at all the wonderful people  
trying to forget just who and what they have been

oh (oh) it's a dream (it's a dream)  
with a nightmare stuck in the middle (middle)  
are you serious? I'm just curious  
without all this attention  
you'd die  
I'd die  
we'd die  
and if I live to be a hundred and one (wouldn't we baby)  
I will never understand what you are (ooh, I'm talking to you)  
you're looking for sympathy from people who work to eat

and they don't really seem to mind

yeah-a-yeah  
yeah-a-yeah  
I said maybe your mama gave you up boy  
(it's the same old, same old)  
I said maybe (baby) your daddy didn't love you enough  
(love you enough) girl

how much is enough? 3x  
are you serious? I'm just curious 7x

yeah, more glycerine

let's go back to the day  
huh DJ (why do you wanna tell me that?)  
DJ (get yourself some Oprah case)  
is that what makes a star? ooh

do you really think you've got it so hard? huh?  
do you think it might do you some good to look around you  
and decide how you night feel

if the pain you felt was real  
tell me

is that why you're a star?  
now nothing comes for nothing baby oh  
that fame and fortune's heaven sent

and who gives a f\*\*\* about your problems darling  
cos you can pay the rent  
you can pay, pay, pay, pay, pay, pay, pay, pay

you can pay, is that why you're a star?  
cry baby, cry baby

baby you're a star  
is that why you're a star?  
baby, baby you're a star
