## Michael Gray, Borderline

It's gonna be another lonely night One more and I'm gonna die Wired out waiting for the sign 'Coz you're a risk and I'm borderline

All I know is I've been sitting with this fire and it burns inside
Man if you want me to walk your line then don't stop at 8 no let's take it
To the 9's
I know that we should lay out and love
Because man I really need it

To the 9's I may be full but It's not enough Come and show me how to feel it

All or nothing You know that's how I play the game and I'm ready now Man if you want me, come cross the line and Slide up to 8 then let's take it To the 9's
