

# Michael Jackson, Escape

Open up 6  
He's gone!

Every where I turn no matter where I look  
The systems in control its all ran by the book  
I gotta get away so I can free my mind  
Escape is  
What I need  
(lectric') lectric eyes

No matter where I am I see my face around  
They pin lies on my name and put them town to town  
Don't have a place to run but there's no need to hide  
I got ta  
Find a place  
So I can  
Hide away

Escape/  
Gotta get away from the system, rules and the world today  
Escape/  
The pressure that I feel from relationships had to go away/  
Escape/  
The man with the pen that writes the lies that has no ink/  
Escape/  
I do what I wanna 'cause I gotta be nobody but me

Sometimes I feel like....I've gotta get away

I tried to share my life with someone I could love  
But games and money is all she ever thought of  
How could that be my fault when she gambled and lost?  
I'm tired of  
Silly games  
Time to  
Make a change  
Why is it I cant do whatever want to?(hoah)  
When in my personal life freind i dont live for you(you!)  
So don't you try to (don't you try it) tell me what is right for me  
To be con, cerned about you  
I cant do  
What I want to
