

# Michael Jackson, I Wanna Be Where You Are

(T-Boy Ross & Leon Ware)

Can it be I stayed away too long  
Did I leave your mind when I was gone  
It's not my thing trying to get back  
But this time let me tell you where I'm at  
You don't have to worry 'cause I'm coming  
Back to where I should have always stayed  
And now I've heard the maybe to your story  
And it's enough love for me to stay

Can it be I stayed away too long  
Did I leave your mind when I was gone  
It's not my thing trying to get back  
But this time let me tell you where I'm at

I wanna, wanna be where you are  
Anywhere you are  
I wanna, wanna be where you are  
Everywhere you are

[Bridge:]  
Please don't close the door to our future  
There's so many things we haven't tried  
I could love you better than I used to  
And give you all the love I have inside

I wanna, wanna be where you are  
Any, any, anywhere you are  
I wanna, wanna be where you are  
I gotta be where you are
