

# Michael Jackson & Jackson 5, Thriller

It's close to midnight and something evil's lurking  
in the dark  
Under the moonlight you see a sight that almost stops  
your heart  
You try to scream but terror takes the sound before  
you make it  
You start to freeze as horror looks you right between  
the eyes,  
You're paralyzed

Cause this is thriller, thriller night  
And no one's gonna save you from the beast about to  
strike  
You know it's thriller, thriller night  
You're fighting for your life inside a killer,  
thriller tonight

You hear the door slam and realize there's nowhere  
left to run  
You feel the cold hand and wonder if you'll ever see  
the sun  
You close your eyes and hope that this is just  
imagination  
But all the while you hear the creature creepin' up  
behind  
You're out of time

Cause this is thriller, thriller night  
There ain't no second chance against the thing with  
forty eyes  
You know it's thriller, thriller night  
You're fighting for your life inside a killer,  
thriller tonight

Night creatures call  
And the dead start to walk in their masquerade  
There's no escapin' the jaws of the alien this time  
(they're open wide)  
This is the end of your life

They're out to get you, there's demons closing in on  
every side  
They will possess you unless you change the number on  
your dial  
Now is the time for you and I to cuddle close  
together  
All thru the night I'll save you from the terrors on  
the screen,  
I'll make you see

That it's a thriller, thriller night  
& Cause I can thrill you more than any ghost would  
dare to try  
Girl, this is thriller, thriller night  
So let me hold you tight and share a killer, diller,  
chiller,  
Thriller here tonight

(Rap performed by Vincent Price)  
Darkness falls across the land  
The midnite hour is close at hand  
Creatures crawl in search of blood  
To terrorize y'awl's neighborhood  
And whosoever shall be found

Without the soul for getting down  
Must stand and face the hounds of hell  
And rot inside a corpse's shell  
The foulest stench is in the air  
The funk of forty thousand years  
And grizzly ghouls from every tomb  
Are closing in to seal your doom  
And though you fight to stay alive  
Your body starts to shiver  
For no mere mortal can resist  
The evil of the thriller  
(Into maniacal laugh, in deep echo)
