

# Michael Jackson, Nite Line

Calling on the Nite Line  
Waking me up  
Calling on the Nite Line (Calling on the Nite Line)  
Can't get enough  
Calling on the Nite Line (Calling on the Nite Line)  
Whisper in my ear  
Sending through the fire line (Calling on the Nite Line)  
What I'd like to hear

Every night about midnight  
The call comes through  
You turn it on the Nite Line  
'Cause you know just what to do  
And I'll be waiting (I'll be waiting)  
By the phone (By the phone) Alone.

Calling on the Nite Line  
Waking me up (Call me, baby)  
Calling on the Nite Line - Hee!  
Can't get enough (Call me, darling)  
Calling on the Nite Line - Hee!  
Whisper in my ear - Aow!  
Sending through the fire line  
What I'd like to hear

Make it person-to-person  
Make it heart-to-heart  
Darling, your communication  
Is sending up sparks  
I'll be waiting (I'll be waiting)  
By the phone (By the phone)  
Why don't you give me a call?

(Calling on the Nite Line  
Getting me up)  
I wanna call  
(Calling on the Nite Line  
Can't get enough)  
Why don't you call me, baby? Hee!  
Call me on the Nite Line! (Call me, darling!)  
Whisper in my ear (Won't you call me, baby!) Hee!  
Sending through the fire line  
What I'd like to hear - Oo!

(Call me on the Nite Line)  
(Call me on the Nite Line)  
(Call me on the Nite Line)  
(Call me on the Nite Line) Oo!

Calling on the Nite Line  
Waking me up - Oh!  
Calling on the Nite Line - Hee!  
Can't get enough (Call me, baby!)  
Calling on the Nite Line  
Whisper in my ear  
Sending through the fire line  
What I'd like to hear

Calling on the Nite Line  
Getting me up - Oh!  
Call me on the Nite Line - Hee!  
Can't get enough (Call me, baby!)  
Calling on the Nite Line  
Whisper in my ear

Sending through the fire line  
What I'd like to hear
