

# Michael Jackson, Serious Effect

You gotta get back every rhyme  
Gonna jump back  
She won't get it  
I got a feeling but giving you, I  
And I'm so damn  
So damn glad about it

I got a feeling  
That your jumping around  
Gonna get back  
She wont get it  
I gotta feeling  
Like jumping around  
And I'm so damn  
So damn glad about it

"Chorus"  
Serious effect on me, baby  
Serious effect on  
Serious effect on me, baby  
Serious effect on  
Serious effect, baby, baby  
Serious effect on  
Serious effect, baby, baby  
Serious  
And I'm so damn glad about it

"Verse 2"  
I gotta feeling  
Of giving you, I  
Won't jump back  
She wont let it  
I got a feeling  
Like nothing around  
And I'm so damn  
So damn glad about it

She don't smoke  
She don't breathe  
She don't hash  
She don't dope  
But she's a liar  
I gotta feeling  
Like nothing around  
And I'm so damn  
So damn glad about it

"Chorus"  
Serious effect on me, baby  
Serious effect on  
Serious effect on me, baby  
Serious effect on  
Serious effect, baby, baby  
Serious effect on  
Serious effect, baby, baby  
Serious  
And I'm so damn glad about it

"Rap"  
She's serious  
Makin' me delirious  
I'm curious  
Next thing I know  
Hittin' us

Enjoying  
The animal magnetism  
She's too hot to touch  
Too cool for criticism  
Each and every things  
Like a mini movie being filmed  
'Cause I'm the captain  
I'm in a body from hell  
I'm shivering, quivering  
I smile while I'm delivering  
Get some love and passion  
It's never been  
So intense and spiritual like  
In sense of above, against  
And all off in silence  
Then I scream like a man  
Out of his rich  
'Cause I'm so serious  
So serious effecting

"Chorus"  
Serious effect on me, baby  
Serious effect on  
Serious effect on me, baby  
Serious effect on  
Serious effect, baby, baby  
Serious effect on  
Serious effect, baby, baby  
Serious  
And I'm so damn glad about it  
Hoo!

She mentioned that I was  
She mentioned that I was

(Serious)  
Jumpin' around  
I gotta break down  
(Serious)  
She's the one who get it  
(Serious)  
I got a feeling  
Like jumpin' around  
(Serious)  
Cause I'm so glad  
And I'm so damn glad about it

Serious effect on me, baby  
Serious effect on  
Serious effect on me, baby  
Serious effect on  
Serious effect, baby, baby  
Serious effect on  
Serious effect, baby, baby  
Serious  
And I'm so damn glad about it  
Serious  
Serious on me  
Serious  
Serious on me  
Serious  
Serious on me  
Serious  
Serious on me  
Serious

Serious on me

(Repeat chorus)
