

Michael Jackson, Tablid Junkie

Speculate to break
the one you hate
Circulate the lie
you confiscate
Assassinate and
mutilate
The hounding media
in hysteria
Whos teh next for
you to resurrect
JFK exposed the CIA
Truth be told the
grassy knoll
The blackmail story
in all your glory
Its Slander
You say its not
a sword
But with your pen
your torture men
Youd crucify the lord
Ynd you dont have
to read it, and you
dont hve to eat it
To buy it is to feed it
So why do we keep
foolinoursleves
Just because you
read it in a magazine
or see it on a TV screen
Dont make it factual
Though everybody
wants to read all
about it,
Just because you
read it in a magazine
or see it on a TV screen
Dont make it factual
actual, they say hes
homosexual
In the hood, frame him
if you could, shoot to
kill to blame him if you
will
If he dies sympathize
Such false witnesses
Damn self righteous-
ness in the black
Stab me in the back
In the face
To lie and shame the
race, heroin & merilyn
The hedline stories of
all the glory
Its Slander
You say its not
a sword
Youre a parasite in
the black and white
Do anything for news
If you dont go and
buy it, Then they
wont glorify it
To read it sanctifies it

Then why do we keep
foolinoursleves
Just because you
read it in a magazine
or see it on a TV screen
Dont make it factual
Every body wants to
read all about it
Just because you
read it in a magazine
or see it on a TV screen
Dont make it factual
See, but everybody
wants to believe all
about it
Just because you
read it in a magazine
or see it on a TV screen
Dont make it factual
See, but everybody
wants to believe all
about it
Just because you
read it in a magazine
or see it on a TV screen
Dont make it factual
actual
Shes blonde and
shes bisexual
Scandal
With the word you use
Youre a parasite
in the black and white
Don anything for news
And you dont
go and buy it
Then they wont glorify
it, to read it sanctifies it
Why do we keep
foolin ourselves
Slander
You say its not a sin
But with your pen you
torture men, Then why
do you keep foolin
ourselvs
Just because you
read it in a magazine
or see it on a TV screen
Dont make it factual
Though everybody
wants to read all
about it
Just because you
read it in a magazine
or see it on a TV screen
Dont make it factual
See, but everybody
wants to believe all
about it
Just because you
read it in a magazine
or see it on a TV screen
Dont make it factual
Just because you

read it in a magazine
or see it on a TV screen
Dont make it factual
Just because you
read it in a magazine
or see it on a TV screen
Dont make it factual
actual
Youre so damn
disrespectable
