

# Michael Jackson, We are the world

There comes a time when we heed a certain call  
When the world must come together as one  
There are people dying  
Oh, and it's time to lend a hand to life  
The greatest gift of all

We can't go on pretending day by day  
That someone, somehow will soon make a change  
We are all a part of God's great big family  
And the truth - you know love is all we need

We are the world, we are the children  
We are the ones who make a brighter day  
so let's start giving  
There's a choice we're making  
We're saving our own lives  
It's true we'll make a better day  
Just you and me

Well, send'em your heart  
So they know that someone cares  
And their lives will be stronger and free  
As God has shown us  
By turning stone to bread  
And so we all must lend a helping hand

We are the world, we are the children  
We are the ones who make a brighter day  
so let's start giving  
There's a choice we're making  
We're saving our own lives  
It's true we'll make a better day  
Just you and me

When you're down and out  
There seems no hope at all  
But if you just believe  
There's no way we can fall  
Well, well, well, let us realize  
That a change can only come  
When we stand together as one

We are the world, we are the children  
We are the ones who make a brighter day  
so let's start giving  
There's a choice we're making  
We're saving our own lives  
It's true we'll make a better day  
Just you and me
