## Michael Jackson, We are the world

There comes a time when we heed a certain call When the world must come together as one There are people dying Oh, and it's time to lend a hand to life The greatest gift of all

We can't go on pretending day by day That someone, somehow will soon make a change We are all a part of God's great big family And the truth - you know love is all we need

We are the world, we are the children
We are the ones who make a brighter day
so let's start giving
There's a choice we're making
We're saving our own lives
It's true we'll make a better day
Just you and me

Well, send'em your heart So they know that someone cares And their lives will be stronger and free As God has shown us By turning stone to bread And so we all must lend a helping hand

We are the world, we are the children
We are the ones who make a brighter day
so let's start giving
There's a choice we're making
We're saving our own lives
It's true we'll make a better day
Just you and me

When you're down and out
There seems no hope at all
But if you just believe
There's no way we can fall
Well, well, well, let us realize
That a change can only come
When we stand together as one

We are the world, we are the children
We are the ones who make a brighter day
so let's start giving
There's a choice we're making
We're saving our own lives
It's true we'll make a better day
Just you and me
