

# Michael Johnson, Bluer Than Blue

After you go, I can catch up on my reading  
After you go, I'll have a lot more time for sleeping  
And when you're gone, looks like things are gonna be a lot easier  
Life will be a breeze, you know  
I really should be glad

But I'm bluer than blue, sadder than sad  
You're the only light this empty room has ever had  
Life without you is gonna be  
Bluer than blue

After you go, I'll have a lot more room in my closet  
After you go, I'll stay out all night long if I feel like it  
And when you're gone I can run through the house screaming  
And no one will ever hear me  
I really should be glad

But I'm bluer than blue, sadder than sad  
You're the only light this empty room has ever had  
Life without you is gonna be  
Bluer than blue

I don't have to miss no TV shows  
I can start my whole life over  
Change the numbers on my telephone  
But the nights will sure be colder

And I'm bluer than blue, sadder than sad  
You're the only light this empty room has ever had  
Life without you is gonna be  
Bluer than blue  
Bluer than blue  
Bluer than blue
